You certainly all know the very popular Transatlantic Seniors Cup-Julian Klukowski Trophy organised by our Polish friends, Włodek Starkowski and Marek Wójcicki since 2021. Both parties have decided to merge this event with an EBL event and the European Bridge League happily informs you that we are starting

The 1st European Online Seniors Championship

- ❖ The championship is a Transnational event: players from all WBF zones are invited to play
- ❖ The format is 3 rounds of ten boards/day
- ❖ Starting playing time: 18:30-19:00 CET time
- ❖ The entry fee is unchanged with €250/team

Participants will be able to win **EBL Master Points and medals but also** they will get the opportunity to gain international experience in the Bridge world.

The winning team will be awarded with the Julian Klukowski Trophy and free entry fee for the next EBL Seniors live event.

We would like to create a network of Seniors' coordinators within the European Federations; please provide us with a contact name, email and mobile phone.

We encourage you to inform the seniors players in your NBO to take this special opportunity and participate in this event.

Thanks to your cooperation,
Sincerely yours,
